

Heavenly Father,

You have created us in Your image even though we are all different. We need to open our eyes to see that each person is an intricate part of our lives. Although we are each unique human persons, our faith calls us to love one another. We ask you to watch over and bless the "Caps of Love" program, which we are undertaking, because it is a way to help our environment, and it provides wheelchairs for our brothers and sisters who are in need. Open the hearts of all to help in this effort. Instill within us the desire to help those who have this need.

We ask this through our Lord, Jesus Christ. Amen
