

5 IDEAS TO PROMOTE CAPS OF LOVE

1. Give every member at your next CCW meeting a gallon sized zip lock bag (the kind with the easy to open and close sliding top) and on the front write CAPS OF LOVE-----ask them to bring it back filled!
2. Place a large, clear stackable container in the hallway of your Catholic School and let the students see it fill up. Once it is filled, place another ON TOP.....so the “tower” grows all thru the school year! (This could also be done in the back of your church or social hall.)
3. Plan a clever CAPS OF LOVE centerpiece for a Council function or the parish “Coffee and Donuts” when CCW is hosting (wearing their NCCW aprons, of course.) Any clear container will do, and all participants are asked to bring in their colorful caps. Make a copy of the logo from the website and attach it to the containers. (These could be reused!)
4. Identify a specific cap each Sunday in the parish bulletin just to keep reminding people to participate. Soda 2 liter caps, laundry detergent caps, salad dressing caps, sunscreen caps, grated cheese caps, hand lotion caps, etc.
5. Have a contest among Religious Education Classes with a “weigh in” for the most caps at the last class. Encourage your affiliation to consider sponsoring an ice cream or pizza party for the winners.

Do you have a fun and easy idea to promote CAPS OF LOVE?
