

LEADERSHIP COMMISSION REPORT

Sue Barker

Leadership Commission Chair

May, 2021

Leadership opportunities are out there for everyone and they will help keep your group involved. Some opportunities are listed here.

Did you get a chance to attend or view virtually the Spring Vicariate meeting? Are you registered to view the June 12th MDCCW Convention? Plan to meet together and have a lunch after the meeting to discuss what was presented. You still have time to register with Coreen Marklein online: csmarklein@gmail.com.

Have you considered going to NCCW Convention in August? Registration for this event will start June 21. Contact your group members and see who is interested in going on a "Girl's Getaway". It should be a great time since last years' event had to be cancelled!

Have you been praying for our priests? You should have gotten a postcard with a priests' name to send to him. Don't be afraid to contact "your" priest during this year long campaign.

God Love You!
